* Lightfastness rating of approximately 27 years based on accelerated testing of prints on EPSON ColorLife™ Photo Paper, displayed indoors, under glass. Actual print stability will vary according to image, display conditions, light intensity, humidity, and atmospheric conditions. Epson does not guarantee longevity of prints. For maximum print life, display all prints under glass or laminations or properly store them. For more information on these lightfastness ratings, visit www.epson.com

** Black text is in Economy mode and color photo is in Fine mode. Additional processing time will vary based on system configuration, software application and page complexity.

*** Cartridge life will vary with images printed, print settings, papers, and frequency of use. The printer ships with full cartridges and some ink from first cartridges is used for initialization.
